

MDP Program Curriculum Committee Members 2017-2018

The curriculum committee designs, reviews and revises learning competencies and the structure of the curriculum. It ensures that individual coursework meets the program's learning outcomes. The committee is composed of faculty teaching in the program, affiliate faculty, the Associate Director of African Studies, and the Associate Director of Latin American Studies. Three current MDP students, two 2nd year and one 1st year, also form part of this committee.
