* Core faculty

† Affiliate faculty

DEPT: Must contact the department and/or course professor in order to register

Courses that may fulfill the Health Sciences pillar core requirement

^ GIS courses range widely in content and challenge level. Therefore, it is important for students to be aware of their current GIS level/knowledge and the expectations of a GIS course.

Note: Course offerings may change prior to Spring semester. Please check the registrar website for the latest official information: <http://registrar.ufl.edu/soc/>
